.....Let's come closer

YET ANOTHER FEATHER IN GMW'S CAP

BHEL announces the best performance award 2011-12 to Sikka Thermal Power site, Jamnagar

Well Done The GEM Family

For excellence in Civil and Structural work , BHEL, on 21st November, announced this award, albeit to JMC Projects . However, as their main sub-contractors in Sikka, we take great pride in the quality of our performance and inspired dedication to quality.

Hearty congrats to Sukhwinder Singh, Gurmeet Singh, Bhimsen , Bharat Patel, Mallick, Ram Chandra, Satbir Singh Yasbir Singh, Dharmendra, Gohil, and others in the team. Of course not to forget the superb backing from N.P.Singh, M.O.Sheth, Onali Pahlwan and Sanjay Pargi at the H.O.

Attached picture on the left shows work at full swing at 2x500mw Anpara-D Sonebhadra U.P. Site. As sub contractors to Bharat Heavy Electrical Ltd , we are responsible for the Fuel oil system, and the quantum of work includes 3 nos of oil storage tanks, complete piping from Anpara-A to Anpara-D for the span of more than 3 kms., along with pumps, strainers and valves etc.

We have completed tank work to the extent of about 80% and piping erected is 400 meters till now. Our energetic team is lead by Vivek Johry and is ably assisted by Jamil Ansari, T. Ravi and others.

LAUGH IT OFF !!!

THEORY OF RELATIVITY

Albert Einstein was often asked to explain the general theory of relativity. "Put your hand on a hot stove for a minute, and it seems like an hour," he once declared. "Sit with a pretty girl for an hour, and it seems like a minute. That's relativity!"

BOSSSES WILL NEVER CHANGE

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp. They rub it and a Genie comes out.

The Genie says, "I'll give each of you just one wish." "Me first! Me first!" says the admin clerk. "I want to be in the Bahamas, driving a speedboat, without a care in the world." Puff! She's gone. "Me next! Me next!" says the sales rep. "I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Colodas and the love of my life." Puff! He's gone. "OK, you're up," the Genie says to the manager.

The manager says, "I want those two back in the office after lunch."

MEET OUR FAMILY MEMBER V.P.Johry

Looking at Vivek Johry's youthful and energetic disposition, one can never guess that this person has a work experience of approximately 25 years -, most of it with GMW.

A veteran of sorts, Vivek joined us in 1990, after a degree and a Diploma in Civil Engineering. He initially honed his skills at sites in Kutch, Ennore, Neyveli, Suratgad, and Barmer, before being promoted as the Deputy General Manager at Barsingsar (Bikaner) in 2007. The successful completion of that project has now taken him to the challenging site Anpara-D, where a 2X500 MW Thermal Power Station is now underway.

So sound is his knowledge, that anyone wanting a solution to any problem, is automatically tempted to dial his number. Be it Fabrication, Erection, Testing, Low pressure piping, Circulating water system, Steel Tanks, or Fuel oil handing system, and much more. You name it and he's got it.

Seen above in the pic is him with his lovely wife Amita - a highly qualified teacher, His two boys, Viplove is currently doing his B.Tech, whilst the young Abhinav would be preparing for his boards next year.

AN INTERVIEW WITH GOD

MAN : What surprises you most of human kind?

GOD : That they get bored with childhood, they rush to grow up and long to be child again. That they lose their health to make money and then lose their money to restore their health. That by thinking anxiously about their future, they forget about the present, such that they neither live in the present nor the future.

Solution to the last month's puzzle :

The boss made each one sit in a separate room and asked the same question.

"Which tyre of your car got punctured?"

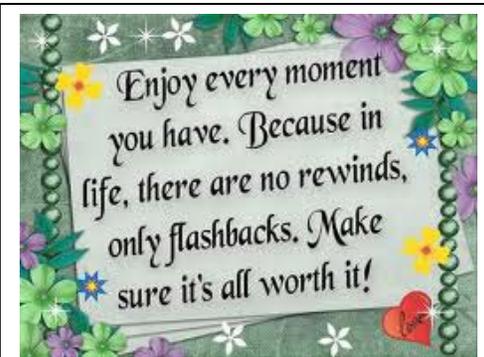

GINGER (Adrak)-THE SUPER FOOD

Ayurveda gives ginger the status of a virtual medicine chest. Ginger-infused chai is a household favorite in India, and it's grandma's antidote of choice for battling cold and flu. It has carminative properties which can be used to calm upset stomach. It is also beneficial in treating feeling of nausea, particularly seasickness, motion sickness, morning sickness and side effect of chemotherapy.

Ginger contains anti viral, anti toxic and anti fungal properties. Due to it's promotion of mucus secretion, ginger protects against the development of ulcers. It has also proven to be helpful to lower the cholesterol level and prevent the formation of blood cloth.

Chew a piece of ginger for half an hour and it can cure your headache.
